Project Name	Comprehensive Analysis and Dietary Strategies with Tableau: A College Food Choices Case Study
Maximum Marks	2 Marks

Customer Problem Statement Template:

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love.

A well-articulated customer problem statement allows you and your team to find the ideal solution for the challenges your customers face. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

Problem Statements

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me
PS-1	I am a university officer	Monitor the nut intake of student time	I don't receive ear about declining h habits	The data isn't visual actionable, real-time	Frustrated and un implement timely interventions
PS-2	I am a nutrition college	Address and ma student dietary	I don't have demo level insights on w affected	The dataset isn't se interactive	Powerless to off nutrition guidance
PS-3	I am a college administrator	Support student with evidence-b strategies	I lack predictive in future diet-related	Traditional reports predictive analytics personalization	Concerned about student health and performance
PS-4	I am a data ana education	Translate Student choice Data into visual dashboard	I'm stuck with spreadsheets	The current system dynamic Tableau visual	Limited in Help in snake data driven
